1. The meeting convened at 9:30 a.m. in Room 6F25 Headquarters. The Chairman introduced Mrs. [REDACTED] who will replace Miss [REDACTED] as Executive Secretary of the Board.

2. The Board considered the selection of candidates for the Senior Officer Schools for 1976-77. Against a slate of 60 nominations (including one woman) 19 places are to be filled in the schools. Mr. Rodriguez commented on the possibility of a better way to have the information on the candidates compiled and suggested that the Board experiment with a form that would be more suitable as a screening process.

3. During the course of the Board deliberations the question of increasing our quotas at certain of the schools was discussed and it was agreed that the Chairman would prepare a memorandum to the Director, through the Deputy Director for Administration, recommending the following increases in quotas:

| | <u>Present Quota</u> | <u>Proposed Quota</u> |
|----------------------------|-------------------------------|-------------------------------|
| Armed Forces Staff College | 4 per year (2 per session) | 6 per year (3 per session) |
| Industrial College of the | | |
| Armed Forces | 1 | 2 |
| Air War College | 1 | 2 |
| Army War College | 1 | 2 |
| Naval War College | 1 | 2 |

The Director's approval of these recommendations for increases in quotas would, of course, be contingent upon successful deliberations with the schools, particularly the Air War College and Army War College who have in the past invited the Agency to send only one representative. During the past two years we have received an invitation - late in the year - to send a second representative to the Industrial College of the Armed Forces.

4. The Board then reviewed the nominations, ranked the candidates and approved the slate of candidates (based on present quotas) as listed on the attached sheet, subject to final approval of the Deputy Director of Central Intelligence.

5. The meeting adjourned at 12:10 p.m.
